... Rec 70 - 6 y/o and first year 7 y/o ONLY
... 125/135 T2T - All players that have been declared restricted must wear jersey numbers from 70 thru 79, (if more then ten use 60 thru 69) in addition the rosters must be marked as to their restriction and this will also be reflected on their I.D. cards

need to know information

... All organizations' first team per age/wt level will be declared a Select team. If the organization only fields one team in a specific age/wt level and wants to be declared a Recreational team that organization must present it's valid reasoning to the County Scheduler & AAYFA Executive Board for consideration. For 2007 the only exception to this rule will be the 13U & 135 levels
... All rules governing the previous "B" League now apply to the Recreational League, with the one exception that should any age/wt level exceed more then 10 teams (example: 2007 Rec 135) then that level will be split into a Recreational A & B League. Teams placement would be determined by a joint effort from the County Scheduler & the AAYFA Executive Board

championship information

... Championship locations are as followed, all Select League games will be held at the Naval Academy and all Recreation League games will be held at Broadneck High School
